

IPA-C04 - Mutual Agency and Third-Party Liability

Indian Partnership Act, 1932 - 13 provisions

Purpose Translate this chapter into transaction, evidence, performance and remedy controls.	Who is covered Parties, firms, partners, buyers, sellers, principals, agents or litigants affected by this chapter.
Main control Classify the relationship, map every statutory condition and preserve authority, execution and performance evidence.	Top risk Using a template or label without testing event-date law, consent, title, authority, limitation and State overlays.
Remedy Quantify breach and loss, mitigate, issue a valid notice and select the correct substantive relief and forum.	State alert Partnership Rules, forms, fees, Registrar portals, stamp duty and public-notice practice are State/UT-specific.

Provision map

s.18 Partner to be agent of the firm; s.19 Implied authority of partner as agent of the firm; s.20 Extension and restriction of partner’s implied authority; s.21 Partner’s authority in an emergency; s.22 Mode of doing act to bind firm; s.23 Effect of admissions by a partner; s.24 Effect of notice to acting partner; plus 6 more

Five-point professional checklist

1. Freeze event date, parties and transaction.
2. Map statutory limbs and exceptions.
3. Verify authority, consent, stamp, registration and evidence.
4. Calculate price, loss, partner accounts or relief and limitation.
5. Select notice, remedy, forum and settlement path.

Finin2min takeaway: Law - trigger - procedure - evidence - remedy. No step may be assumed.
