Provision / control map

Gate	Meaning	Action
Section 35	Section 35 governs award, money or cost consequences: Finality of arbitral awards.	Separate claim, counterclaim, principal, interest, cost, tax, payment and enforceability.
Section 36	Award becomes enforceable like a decree when the section 34 period/ conditions permit; a challenge does not automatically stay enforcement.	File separate stay/security application, calculate award debt and commence execution/asset search.
