

# Part IA - Arbitration Council of India - One-page Cheat Sheet

## Chapter in 2 Minutes

- Track commencement, rules, appointments and regulations before treating the Council framework as operational for a particular function.
- Use the current India Code consolidation as on 1 June 2026 together with amendment footnotes and event-date law.
- Convert every section into an owner, deadline, evidence and remedy control.
- Separate seat, venue, governing law, court and institutional rules.

## Provision / control map

| Gate        | Meaning                                                                                | Action                                                                                                      |
|-------------|----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------|
| Section 43A | Section 43A defines the statutory architecture for definitions.                        | Create a defined-term sheet and do not import contract meanings where the Act controls.                     |
