## Implementation and practical application

A business decision raises dawn raid and investigation response. The team should freeze the relevant chronology, identify every actor and legal relationship, map the current provision and delegated instrument, preserve system and communication evidence, quantify exposure, and choose cure, filing, response, settlement or litigation only after checking jurisdiction and limitation.

## Control checklist

Classify facts and role; capture current source; map approvals and evidence; calculate threshold/time/exposure; implement system gate; preserve filing and delivery proof; verify forum and limitation.

## Cross-law overlays

Contract, company/LLP, tax/accounting, data/cyber, consumer, competition, MSMED, RERA, FEMA, IBC, sector law and evidence rules must be applied separately.
