FININ2MIN | LIMITATION ACT, 1963

First Division, Part II - Contracts: Articles 27-55

Bonds, negotiable instruments, insurance, contribution, rent, specific performance and breach claims require instrument-by-instrument accrual analysis.

Chapter in 2 Minutes

- Bonds, negotiable instruments, insurance, contribution, rent, specific performance and breach claims require instrument-by-instrument accrual analysis.
- The first column classifies the proceeding, the second sets the period and the third fixes the starting point.
- Sections 4-24 can alter computation only when legally available.
- A special/local statute may replace the Schedule period or exclude general provisions.

Decision gates

Relief -> Article -> Start date -> Sections 4-24 -> Special law -> Cut-off

Provision	Rule	Control
Article 27	Specified time arrives or contingency happens	Preserve the instrument, event date and article-selection memorandum.
Article 28	Specified day	Preserve the instrument, event date and article-selection memorandum.
Article 29	Date of execution	Preserve the instrument, event date and article-selection memorandum.
Article 30	When condition is broken	Preserve the instrument, event date and article-selection memorandum.

Evidence file

Instrument/order; trigger and service proof; computation; copy/stay/notice records; acknowledgment/payment evidence; special-law text; authority; filing receipt.

Finin2min caution

Do not use a generic three-year assumption. The special statute, exact Schedule article, third-column trigger and event-date amendments control. Official source prevails.
