FININ2MIN | LIMITATION ACT, 1963

Continuing breaches, torts and recurring claims master

Distinguish a continuing wrong from continuing damage and separate each instalment, recurring payment or successive breach.

Chapter in 2 Minutes

• Distinguish a continuing wrong from continuing damage and separate each instalment, recurring payment or successive breach.
• Convert single completed wrong into a dated, evidence-backed control.
• Convert continuing wrong into a dated, evidence-backed control.
• Convert continuing damage into a dated, evidence-backed control.
• Convert successive breach into a dated, evidence-backed control.

Decision gates

Single completed wrong -> Continuing wrong -> Continuing damage -> Successive breach -> Recurring instalment -> Cessation date

Provision	Rule	Control
Gate 1	Test single completed wrong against the governing statute, Schedule article and event-date law.	Retain official source, working paper and decision evidence for single completed wrong.
Gate 2	Test continuing wrong against the governing statute, Schedule article and event-date law.	Retain official source, working paper and decision evidence for continuing wrong.
Gate 3	Test continuing damage against the governing statute, Schedule article and event-date law.	Retain official source, working paper and decision evidence for continuing damage.
Gate 4	Test successive breach against the governing statute, Schedule article and event-date law.	Retain official source, working paper and decision evidence for successive breach.
Gate 5	Test recurring instalment against the governing statute, Schedule article and event-date law.	Retain official source, working paper and decision evidence for recurring instalment.
Gate 6	Test cessation date against the governing statute, Schedule article and event-date law.	Retain official source, working paper and decision evidence for cessation date.

Evidence file

Instrument/order; trigger and service proof; computation; copy/stay/notice records; acknowledgment/payment evidence; special-law text; authority; filing receipt.

Finin2min caution

Do not use a generic three-year assumption. The special statute, exact Schedule article, third-column trigger and event-date amendments control. Official source prevails.
