

FININ2MIN

**MSMED Act, 2006, Udyam and Delayed Payments -
Complete Professional Corpus - One-page
Cheatbook**

Authors: CA Nikhil Gupta and Kajri Singh
Legal review cut-off: 2026-07-18
Official source and signed Gazette prevail.

34 publication units

Chapter I - Preliminary and Definitions - One-page Control Sheet

Classify buyer, supplier, enterprise, goods/services and transaction date.

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to scope and definitions.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Chapter II - National Board for MSME - One-page Control Sheet

Map Board composition, functions, meetings and Member-Secretary powers.

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to National Board.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Chapter III - Classification and Udyam Memorandum - One-page Control Sheet

Apply current investment/turnover criteria, linked enterprises and Udyam evidence.

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to classification and registration.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Chapter IV - Promotion, Procurement, Funds and Credit - One-page Control Sheet

Map schemes, procurement policy, funds, grants and credit practices.

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to promotion and procurement.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Chapter V - Delayed Payments and MSEFC - One-page Control Sheet

Control due date, statutory interest, MSEFC reference, pre-deposit, disclosures, tax disallowance and overriding effect.

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to delayed payments.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Chapter VI - Administration, Penalties and Rules - One-page Control Sheet

Map closure of advisory committee, officer appointment, penalties, jurisdiction and delegated law.

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to miscellaneous provisions.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

National Board for MSME Rules, 2006 and Amendments - One-page Control Sheet

Map Board composition, procedure and governance.

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to Board Rules.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

MSMED Furnishing of Information Rules, 2016 and Amendments - One-page Control Sheet

Control periodic information and reporting obligations.

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to information rules.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Micro and Small Enterprises Development Fund Rules, 2016

- One-page Control Sheet

Map fund contributions, administration, accounts and audit.

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to MSME Fund.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Udyam Classification Notification S.O. 2119(E), 2020 and Amendments - One-page Control Sheet

Apply current composite investment/turnover criteria, exclusions and transition.

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to Udyam classification.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Udyam Assist Platform Notification, 2023 - One-page Control Sheet

Treat eligible informal micro-enterprise certificates according to notified purposes and dates.

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to Udyam Assist.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Public Procurement Policy for MSEs Order, 2012 and Amendments - One-page Control Sheet

Map annual targets, sub-targets, exemptions, vendor preference and reporting.

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to public procurement.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

State MSEFC Rules and Procedure Matrix - One-page Control Sheet

Verify State Council composition, filing portal, fees, service, conciliation/arbitration and recovery process.

Five-step rule

- 1. Identify the legal trigger, responsible actor and evidence relevant to State MSEFC procedure.
- 2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
- 3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
- 4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
- 5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

MSME Samadhaan Filing and Evidence Workflow - One-page Control Sheet

Build portal filing, invoice selection, limitation and service controls.

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to Samadhaan.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

RBI Bank Rate Timeline for Section 16 - One-page Control Sheet

Use the event-period RBI bank rate and monthly compounding, not a static rate.

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to interest rate.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Companies Act Schedule III and MSME Form-1 Interface - One-page Control Sheet

Reconcile section 22 disclosures, ageing, MSME Form-1 and audit evidence.

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to corporate disclosure.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Supplier Udyam Status Verification - One-page Control Sheet

Professional MSME control master for supplier udyam status verification

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to supplier udyam status verification.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Buyer Vendor Master and MSME Flagging - One-page Control Sheet

Professional MSME control master for buyer vendor master and msme flagging

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to buyer vendor master and msme flagging.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Acceptance and Deemed Acceptance Evidence - One-page Control Sheet

Professional MSME control master for acceptance and deemed acceptance evidence

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to acceptance and deemed acceptance evidence.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

45-day Due Date Calculator - One-page Control Sheet

Professional MSME control master for 45-day due date calculator

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to 45-day due date calculator.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Section 16 Compound Interest Calculator - One-page Control Sheet

Professional MSME control master for section 16 compound interest calculator

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to section 16 compound interest calculator.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Invoice Ageing and Payment Allocation - One-page Control Sheet

Professional MSME control master for invoice ageing and payment allocation

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to invoice ageing and payment allocation.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

MSEFC Reference Drafting and Samadhaan - One-page Control Sheet

Professional MSME control master for msefc reference drafting and samadhaan

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to msefc reference drafting and samadhaan.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Conciliation Arbitration and Jurisdiction - One-page Control Sheet

Professional MSME control master for conciliation arbitration and jurisdiction

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to conciliation arbitration and jurisdiction.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Section 19 Pre-deposit and Challenge - One-page Control Sheet

Professional MSME control master for section 19 pre-deposit and challenge

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to section 19 pre-deposit and challenge.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

MSEFC Award Enforcement - One-page Control Sheet

Professional MSME control master for msefc award enforcement

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to msefc award enforcement.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Section 22 Financial Statement Disclosure - One-page Control Sheet

Professional MSME control master for section 22 financial statement disclosure

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to section 22 financial statement disclosure.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Section 23 Income-tax Disallowance - One-page Control Sheet

Professional MSME control master for section 23 income-tax disallowance

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to section 23 income-tax disallowance.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

MSME Form-1 Compliance - One-page Control Sheet

Professional MSME control master for msme form-1 compliance

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to msme form-1 compliance.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.

Public Procurement MSE Preference - One-page Control Sheet

Professional MSME control master for public procurement mse preference

Five-step rule

1. Identify the legal trigger, responsible actor and evidence relevant to public procurement mse preference.
2. Read the Act with all effective Rules, regulations, notifications, directions, guidelines and forum procedure as at the event date.
3. Separate substantive obligation, operational workflow, filing or reporting, enforcement consequence, remedy, appeal and limitation.
4. Maintain a reproducible source pack, decision memo, approval trail and transaction-level evidence.
5. Apply connected company, contract, tax, accounting, data, competition, consumer, insolvency and sector-law overlays independently.

Evidence pack

Official source; classification memo; authority; operative document; notices/consents; calculations; logs; filing/payment/delivery proof; remediation and appeal chronology.

Red flags

Wrong actor or jurisdiction; outdated rule; missing exception analysis; bundled consent; undocumented approval; threshold calculation without source data; delayed filing; incomplete logs; assuming contract overrides mandatory law.

Decision

Proceed only when the legal trigger, current source, owner, control, evidence, exposure, remedy and forum have been documented.
