Provision	Subject / status	Finin2min clause-by-clause decode and implementation
Section 52	Transfer pending suit - lis pendens <i>Operative subject to current official/State law</i>	A transfer during a qualifying pending suit remains subject to the eventual decree; classify the suit, court competence, property identity and commencement/termination of pendency. Implementation: Record title and authority, transaction dates, consideration, possession, instrument form, stamp/registration status, notice, approvals and third-party claims. Obtain State-specific review before execution or enforcement. Evidence: Official source snapshot; title chain; encumbrance/litigation search; authority; executed instrument; valuation; payment and tax proof; possession/delivery record; notices; registration receipt.
Section 53	Fraudulent transfer <i>Operative subject to current official/State law</i>	Test the transfer against creditor-defeating intent, consideration and good-faith transferee protection; do not presume fraud merely from financial distress. Implementation: Record title and authority, transaction dates, consideration, possession, instrument form, stamp/registration status, notice, approvals and third-party claims. Obtain State-specific review before execution or enforcement. Evidence: Official source snapshot; title chain; encumbrance/litigation search; authority; executed instrument; valuation; payment and tax proof; possession/delivery record; notices; registration receipt.
Section 53A	Part performance <i>Operative subject to current official/State law</i>	The provision is defensive, not a conveyance. Require a written and registrable contract, possession in part performance and continuing readiness and willingness. Implementation: Record title and authority, transaction dates, consideration, possession, instrument form, stamp/registration status, notice, approvals and third-party claims. Obtain State-specific review before execution or enforcement. Evidence: Official source snapshot; title chain; encumbrance/litigation search; authority; executed instrument; valuation; payment and tax proof; possession/delivery record; notices; registration receipt.

Finin2min implementation explanation

Classify the property interest, parties, authority, consideration, possession and intended legal result. Complete title, encumbrance, litigation and State-law diligence. Select the correct instrument, stamp, registration and perfection route. Block payment or possession until closing conditions and evidence are complete.

Practical examples and calculations

Scenario: A property transaction is approved commercially before legal classification is complete. The professional file must identify the statutory transaction, authority, title, form, consideration, possession, registration, third-party rights and remedies before execution.

Calculation/control	Method	Evidence
Consideration/value	Reconcile stated price, market value, taxes, retention, debt and non-cash consideration.	Agreement, valuation and ledger

Calculation/control	Method	Evidence
Stamp and fees	Apply State instrument classification, market value, duty, surcharge and registration fee.	Current State schedule and adjudication
Exposure	Quantify encumbrances, arrears, interest, possession loss, cure cost and remedy value.	Searches, statements and legal model

Practical transaction application

1. Classify the transaction and every interest. 2. Complete title, authority, encumbrance, litigation, land-use and possession diligence. 3. Map the Act and State overlays to the instrument. 4. Reconcile consideration, taxes, possession and completion. 5. Preserve closing and enforcement evidence.

Authority, consent and execution controls

Confirm legal identity, capacity, title, board/partner/trustee/co-owner/lender consents, power-of-attorney scope, execution, attestation, witnessing and document custody.

Stamp duty and registration alerts

Apply current State instrument classification, market value, duty, surcharge, registration fee, adjudication and impounding rules. Registration does not cure defective title or prohibited transfer.

Evidence and document-retention checklist

Retain title chain, searches, authority, valuation, tax and KYC records, executed instrument, witness evidence, registration receipt, consideration, possession, originals handover and notices.

Performance, delivery and payment controls

Define conditions precedent, long-stop date, escrow/retention, possession condition, risk transfer, taxes, apportionments, originals handover and post-closing filings.

Breach, loss, mitigation and remedy framework

Separate invalidity, rescission, specific performance, injunction, possession, redemption, foreclosure/sale, damages, restitution and indemnity. Prove causation, market value and mitigation.

Limitation and forum controls

Select relief-specific limitation and forum: civil/Commercial Court, RERA, DRT/DRAT, NCLT, consumer, revenue or arbitration. Compute notice, cure, termination, appeal and enforcement clocks.

Arbitration and mediation interface

Assess arbitrability, rights in rem, statutory forums, third-party interests, interim protection, lis pendens, possession and limitation. Preserve source and evidence during settlement.

Company, partnership, GST and tax overlays

Apply entity authority, charges, RERA, GST, TDS, capital gains, valuation, FEMA, benami, PMLA/KYC, insolvency moratorium and secured-creditor priority.

Finin2min Q&A;

First classify the transaction and title. The common failure is execution or payment before State stamp/registration and third-party rights are verified. A contract does not always transfer title. Maintain a reproducible source, title, authority, closing and remedy file.

Chapter-specific decision flowchart

Classify transaction -> verify title/capacity -> select section and State overlay -> check form/stamp/registration -> close and preserve evidence -> manage breach, remedy and limitation.
